Summary of reasons for decision:

The image explicitly depicts a young teenage girl involved in a sexual act with an animal . It is deemed to be objectionable because it promotes and supports the exploitation of young persons for sexual purposes, and promotes and supports bestiality. The only likely purpose of the image is the sexual arousal of those with an interest in young persons and in bestiality. The classification of this publication interferes with the right to freedom of expression set out in the New Zealand Bill of Rights Act 1990. However, this is an outcome that is consistent with Parliament's intention and reflects the concern of a free and democratic society protect its young and vulnerable members from exploitation.
